

Nacha Nimat Lodge
Order of the Arrow
Hudson Valley Council
Public Relations Letter

September 2008

Dear Brothers, Scoutmasters, and Scout Leaders;

Welcome back to the new year of 2008-2009!! The Order of the Arrow under Nacha Nimat Lodge hopes to cheerfully serve you and your troop the best way possible. With the help of OA Representatives, we want to participate and communicate with each and every troop to our full extent. Therefore, we would like to ask for your full help and supporting this effort to make this dream come true.

- The Public Relations Committee, within Nacha Nimat Lodge, wishes to participate with scout troops and districts to provide the scouts with the experience and leadership they need to succeed in scouting and life.
- As the National Honor Society of Scouting, we want to be there for the scouts as they age and hopefully reach the honored rank of Eagle Scout.
- We hope to advertise our lodge events in a manner to that units and districts can co inside and reduce calendar conflicts. We hope to increase the visibility and presence of the Lodge through-out the council.
- In order to keep a strong OA presence throughout the council, the lodge is here to serve your needs whenever needed. If you and your troop require help or resources, please let us know. We can help you with service projects, ceremonies, banquets, activities, and resources. We are widely known for cheerful service to camps, troops, and districts while we perform ceremonies for events like Courts of Honor, Eagle Ceremonies, Cub Scouts, and district programs. If you are interested at all, please give us a call.
- This coming spring, the District Camporees will be our main focus and we would like you and your troop to participate in the upcoming spring district camporees to the best they can be with as much fun and little hassle as possible. Therefore, as a result, Nacha Nimat Lodge will be directly involved in the hosting of all four district camporees this spring and we intend to be instrumental in the years to come. We intend to have OA elections, activities, call out ceremonies, and presentations available for those troops who wish to participate. More details for the district camporees are available on the lodge website at www.nachanimat.org.

We thank you very much for your corporation and support. We hope to dramatically improve the Order of the Arrow's standing within each and every troop as well as within council and every district. If you have any questions, please contact:
