“MAKE THIS A YEAR TO REMEMBER!”

Dear All Fellow Lodge Brothers,

The Nacha Nimat Lodge certainly has its hands full this Spring with many fun and exciting events right around the corner! Our main focus this year is to get the word out to all the Nacha Nimat Lodge Brothers on what is happening now with the new events, activities, and more! I strongly urge all of you as members of this Lodge to promote our events and activities out there to those who may not be as active as they can be. This is crucial to our Lodge so that we can hold more events and more importantly, extend these opportunities to other Scouts and Scouters through the Nacha Nimat Lodge and Hudson Valley Council.

So please, spread the word about all these lodge events so that everyone has the chance to enjoy the exciting, fellowship-filled activities that the Nacha Nimat Lodge has to offer. Please keep up to date with the Council *and* Lodge websites for news and upcoming event information. The websites are:

www.HudsonValleyScouting.org & www.NachaNimat.org

And finally, I would like to thank you all for your support to Scouting as well as the Order of the Arrow and to say that this is all only possible because of all the hard work of the Scouts and Scouters for the past 100 years.

“A SPRING FULL OF FELLOWSHIP!”

This Spring, Nacha Nimat Lodge is holding several events. First, our Spring Ordeal will be held on April 30th-May 2nd at Camp Nooteeming. This event will be an Ordeal Weekend, a Brotherhood Conversion Weekend, and a fellowship opportunity. It is open to all Order of the Arrow members. The registration fee is \$20 and includes all meals and accommodations for the weekend. Online registration can be found on the Council Website.

Next, our Conclave-Prep weekend will be held from June 4th-6th at Camp Ranachqua. This event will have Brotherhood Conversion, however there will not be an Ordeal Weekend. The main goal for this service weekend will be to prepare the camp for the 2010 Section NE-7B Conclave hosted by our Lodge! The registration fee is \$15. The 2010 Section Conclave is open to all Order of the Arrow members and is a weekend-long event with various different fun and fellowship activities.

There are training sessions Saturday morning, competitions and activities in the afternoon, and a themed closing show to end the day. This is a rare occasion when our Lodge will be able to host a Conclave, not to mention that we will also be hosting it while celebrating the Centennial of the BSA. A chance to host a Conclave only comes around every 7 years, so let's make the most of it! Registration information will be released shortly on the Section Website: www.ne7b.org.

Yours in WWW,
Andrew Klock
Lodge Chief

Brothers:

I am very pleased how Nacha Nimat Lodge served with distinction at the Haunted Harvest Fest at Camp Bullowa. The compliments I received for the participation of our youth was inspiring. My thanks to everyone who came out to make this event such a great success. On Sunday morning, the Lodge held its elections. I would like to thank Tom Raco, our Immediate Past Chief, for conducting such an efficient, well run election. Andrew Klock was elected as the new Lodge Chief and I already see his enthusiasm and vision for his new position.

Along with Andrew, we have a full slate for this year's Executive Committee. Some are familiar names, who have been involved with the Lodge for a while. But you will also notice many new names, of young men who have decided to take a leadership role in our Lodge. I hope we will all support them in their new challenge, and I congratulate them on taking this step.

The Lodge is also working, on a Section level, to prepare for hosting the 2010 NE-7B Conclave. This is a huge event for us, and I hope to see many of you there. We can really use your help.

In the mean time I hope all is with all, as we are look forward to a great year!

In W.W.W.

Izak Breslauer

Lodge Adviser

Section NE-7b goes to Indiana University for NOAC!!

This was the first NOAC we attended as a new section and it was a tremendous success. We had 100% lodge attendance with a total contingent around 70, plus many more on staff.

On Monday night we held a section gathering. We had nearly every section member at NOAC come to our event and it was a fun way to start the year off as a section. Our section also actively participated in the region dodge ball tournament the following night. It was great to see everyone there and hope to see everyone at conclave and at the National Jamboree next summer.

Special Events:

One of the most significant aspects of NOAC is the special events, and this year our own past Section Chief, Mike Kling was the CVC (Conference Vice Chief). His responsibilities included all the VIA luncheons and all special receptions, the museum, the Experience and Hodag. All these events were unanimously successes and enjoyed by all who attended them.

For a job this big, Mike's right hand man was our current Vice Chief Tom Raco. These two worked tremendously hard and made the section proud.
